Compatriots:

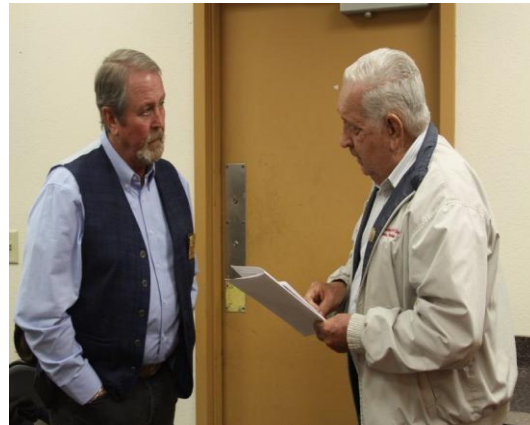

As we enter into the month of March I hope we are seeing winter and COVID coming to the end. The City of Marshall has been advertising for the cemeteries mowing contract to be opened on March 10th. I can only hope we will be seeing improvements. There have been 2 CSA, VA markers received, so we need to get a plan to install them on the unmarked graves at Greenwood. Mrs. Brannon has more coming; she also has permission for us to visit the Granbury family burial plot on Brad Spann Rd. There are 2 CSA Vets buried there. We also need to plan on reflagging the cemeteries to be fresh for April and the first formation of Confederate units here in Harrison County.

Scott Bell will be our speaker. He is a member of the Gen. J.L. Hogg SCV Camp #972 in Jacksonville. He has written a book on the 43rd MS Inf. and there use of camels. He will have copies of his book for sale at the meeting. Please plan to attend as we are stronger with you in fellowship. I hope you **“have the luck of the Irish”** in March.

Bill Elliott, Commander, at your service.

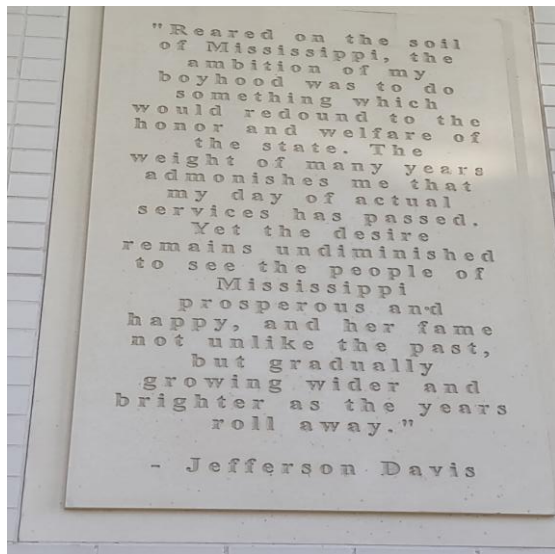

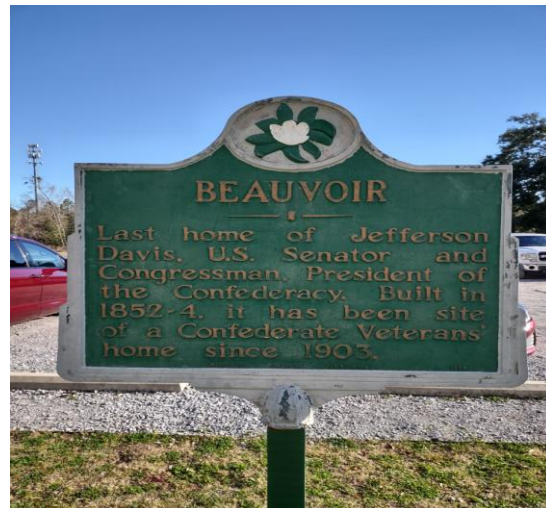

Our February Meeting: Thanks to Albert Colvin for the pictures.

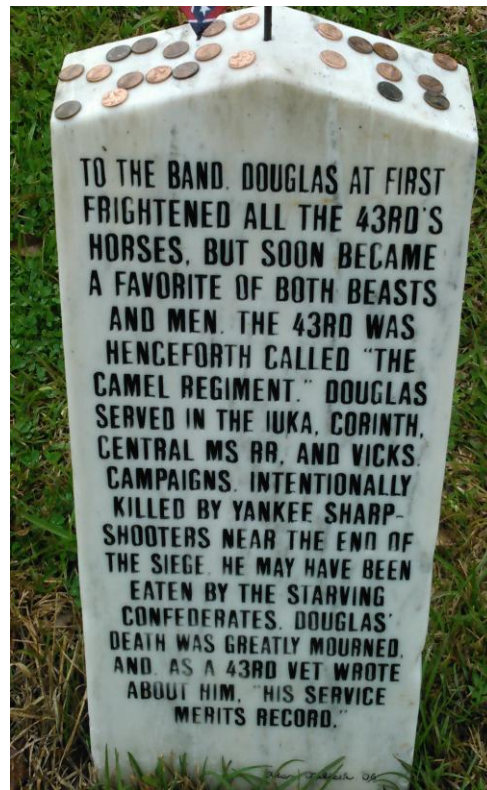

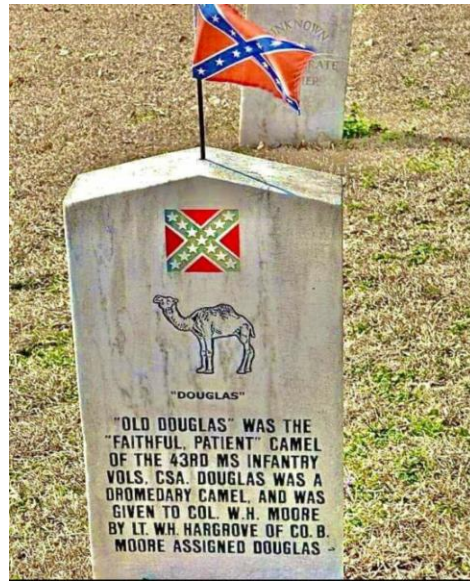

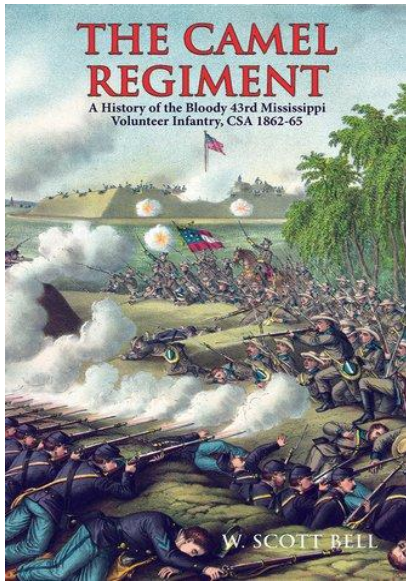

We had a very informative meeting on February 15th. Dr. Jerry Hopkins, retired Professor and historian told us about the “Great Revival” held in 1862 and 1863 throughout both the Union and Confederate Camps of the Civil War. He also discussed the problems of our Country today can all be traced back to secularism and the lack of faith based beliefs of days past.

Feb. 19th. Beauvoir and the Jefferson Davis Presidential Library

Bricks we bought for the walkway in the Cemetery. They will be installed soon.

Our March Program will be by Compatriot Scot Bell on the 43th MS.

I had the pleasure of attending the 2022 Stephen D. Lee Institute held at Beauvoir the last home of President Jefferson Davis and the location of the President Jefferson B. Davis Presidential Library and Museum, located at Biloxi, Mississippi. This program of the National SCV is chaired by Past Commander in Chief Chuck McMichael of Shreveport. The program this year was “**The 21st Century Confederate**” We had around 50 in attendance and all events were held at the auditorium of the Presidential Library.

The program speakers were **Dyan Mears**, Executive Director of Beauvoir who explained the operations and how they had to overcome the closing during COVID along with a hurricane and finding workers during this period. **Eric Previti**, National Membership Director SCV, and IT specialist, who spoke on members services on the National website **SCV.org**. **Carl Jones**, SCV Commander of the Army of Tennessee on how we must overcome by knowing the history on what is a Confederate. **Paul Gramling**, Past Commander in Chief who spoke on we must give our time and sweat supporting our cause. The term “I will be there in spirit” will not work anymore our enemies cannot see your spirit, they are looking at our attendance. **Chris Sullivan**, Past CinC SCV. The history of men with principals who stood up for the cause. **Donnie Kennedy**, Chief of Heritage Operations SCV. We have been given the material and we must use it to spread the word.

To help get this info out I ask all of you to go to the SCV website and with your membership number on your Card to log in and get a password to be able to get in to the secured parts of our National website. There is a conversation chat room to ask questions and read information that is not open to the outside world of our enemy where our members share their knowledge. I also ask all to go to the **Make Dixie Great website** and watch the videos of this operation and watch the interviews posted with our Commander in Chief. They also have a YOU Tube channel and site to share these videos with your friend and family to better understand what the SCV is all about. The SCV also has promotional videos on You Tube. Steer a possible new members to see these videos as it might help encourage them to join our cause. I will be posting the Southern Defender newsletter that you can also share with like minded people.

Karen and I had a nice trip and coming and going I was able to visit, clean and flower my Great Grandparents, and reflag my GG-grandfather’s grave. We also attended Mass at Sacred Heart Catholic Church in Hattiesburg where my Grandmother graduated Sacred Heart Catholic School in 1915. 4 months later she married my Grandfather.

How Do I Join The Sons of Confederate Veterans?

The SCV is the direct heir of the United Confederate Veterans. Organized at Richmond, Virginia in 1896, the SCV continues to serve as a historical, patriotic, and non-political organization dedicated to ensuring that a true history of the 1861-1865 period is preserved. Membership in the Sons of Confederate Veterans is open to all male descendants of any veteran who served honorably in the Confederate armed forces. Membership can be obtained through either lineal or collateral family lines and kinship to a veteran must be documented genealogically. The minimum age for full membership is 12, but there is no minimum for Cadet Membership.
