Bring a Friend

Compatriots:

What a great meeting we had on April 16th. We had

Several visitors from the Gilmer Camp. We had visitors interested in transferring to our Camp. We swore in a new member. We had the Chairman of the Texas Guardian Program pay us a visit concerning this program. We had a candidate for 5th Brigade Commander come and introduce himself and ask our Camp for its support. We had a great and informative program on the Confederate Navy and its Blockade Runners. We had Larry Joe Reynolds attend and asked our support for his run for Lt. Commander of the Texas Division.

The only thing we needed was all to attend. We are still missing a lot of our members and as a small camp we need and we miss you.

I hope to see you at our next meeting.

Bill Elliott

We welcome our new Compatriot David Sutton. He joined as an ancestor of N. F. Sutton who served with the 18th Georgia INF. Who was also a POW but survived the Civil War.

David being sworn in by 1st Lt. Commander Chris Hurley

Welcome to the SCV and the W. W. Hearstill Camp
Compatriot David

Commander Elliott was presented his Guardian Awards for the 8 sites he has maintained for the last 2 years. Texas Guardian Program Chairman Phil Davis made the presentation at our April meeting

These are a few pictures of some of the final resting places of our Veterans. I have enjoyed remembering them and honoring their service. I have others I also do. Some hard, some easy, all worthy of our respect.

Call to Action: Again. We must do our part

Well SB 1663 made it out of the Senate and has been sent to the House Calendar Committee to be scheduled to be voted on by the House as of 5/19/19. The only concern of mine is that they are down to about 8 days left in the Session and are still fighting over property tax relief. Will we get this done this Session???? Please pray that it does. There were some sharp criticisms on this Senate Bill in the Senate. The Bill to do away with our Confederate Heroes Day has failed for this session so we have 2 more years from it coming up again. It is hard to believe all the stupid items and Bills that are acted on in the 140 Days they are in session. From who has the best tacos, to discussing how we handle Ferrell Hogs, and they get paid for these items.

Until they bang the Final Gavel we have a chance to save history !

How Do I Join The Sons of Confederate Veterans?

The SCV is the direct heir of the United Confederate Veterans. Organized at Richmond, Virginia in 1896, the SCV continues to serve as a historical, patriotic, and non-political organization dedicated to ensuring that a true history of the 1861-1865 period is preserved. Membership in the Sons of Confederate Veterans is open to all male descendants of any veteran who served honorably in the Confederate armed forces. Membership can be obtained through either lineal or collateral family lines and kinship to a veteran must be documented genealogically. The minimum age for full membership is 12, but there is no minimum for Cadet membership.
